Google Data Analytics Professional Certificate

Issued by: [Coursera](#)

Issued to: Ibraheem Amin

Issued on: 15 June 2022

Description

Those who earn the Google Data Analytics Certificate have completed eight courses, developed by Google, that include hands-on, practice-based assessments and are designed to prepare them for introductory-level roles in Data Analytics. They are competent in tools and platforms including spreadsheets, SQL, Tableau, and R. They know how to prepare, process, analyze, and share data for thoughtful action.

Course Number: GOOG-0004 (v.1)

Total Credits: 12

Grade: Pass

Credit Recommendation

- 3 semester hours in introduction to databases in the lower-division undergraduate category
- 3 semester hours in introduction to SQL programming in the lower-division undergraduate category
- 3 semester hours in introduction to systems analysis in the lower-division undergraduate category
- 3 semester hours in introduction to R programming in the lower-division undergraduate category

IT Specialist - JavaScript

Issued by: [Certiport](#)

Issued to: Ibraheem Amin

Issued on: 8 December 2022

Description

Earners of this badge demonstrate that they can recognize, write, and debug JavaScript code

that will logically solve a problem.

Course Number: CPRT-0100 (v.1)

Total Credits: 3

Grade: Pass

Credit Recommendation

- 3 semester hours in introduction to JavaScript programming in the lower-division undergraduate category

IT Specialist - HTML and CSS

Issued by: Certiport

Issued to: Ibraheem Amin

Issued on: 12 December 2022

Description

Earners for this badge demonstrate that they can structure a webpage using HTML elements and create and apply styles using CSS.

Course Number: CPRT-0097 (v.1)

Total Credits: 3

Grade: Pass

Credit Recommendation

- 3 semester hours in HTML programming in the lower-division undergraduate category

IT Specialist - Databases

Issued by: Certiport

Issued to: Ibraheem Amin

Issued on: 3 January 2023

Description

Earners of this badge demonstrate foundational knowledge of how to design and query relational databases, such as MySQL, Microsoft SQL Server, or Oracle.

Course Number: CPRT-0095 (v.1)

Total Credits: 3

Grade: Pass

Credit Recommendation

- 3 semester hours in database fundamentals in the lower-division undergraduate category

Google Project Management Certificate

Issued by: Coursera

Issued to: Google Coursera Student

Issued on: 3 April 2023

Description

Those who earn the Google Project Management Certificate have completed six courses, developed by Google, that include hands-on, practice-based assessments and are designed to prepare them for introductory-level roles in Project Management. They are competent in initiating, planning and running both traditional and agile projects.

Course Number: GOOG-0003 (v.1)

Total Credits: 9

Grade: Pass

Credit Recommendation

- 3 semester hours in introduction to project management in the lower-division undergraduate category
- 3 semester hours in project management in the upper-division undergraduate category
- 3 semester hours in Agile project management in the upper-division undergraduate category

IT Specialist - Java

Issued by: Certiport

Issued to: Ibraheem Amin

Issued on: 23 May 2023

Description

Earners of this badge demonstrate that they can recognize, write, and debug Java code that will

logically solve a problem.

Course Number: CPRT-0099 (v.1)

Total Credits: 3

Grade: Pass

Credit Recommendation

- 3 semester hours in Java programming in the lower-division undergraduate category

IT Specialist - Software Development

Issued by: Certiport

Issued to: Ibraheem Amin

Issued on: 24 May 2023

Description

Earners of this badge demonstrate core software development skills, including object-oriented programming, web applications, and databases. Candidates are expected to have some experience with C# and ANSI SQL.

Course Number: CPRT-0104 (v.1)

Total Credits: 3

Grade: Pass

Credit Recommendation

- 3 semester hours in software development in the lower-division undergraduate category

IT Specialist - Computational Thinking

Issued by: Certiport

Issued to: Ibraheem Amin

Issued on: 25 May 2023

Description

Candidates for this exam decompose problems, collect and analyze data, recognize patterns in data, represent data through abstractions, and automate solutions by using algorithmic thinking.

Course Number: CPRT-0113 (v.1)

Total Credits: 3

Grade: Pass

Credit Recommendation

- 3 semester hours in computational logic in the lower-division undergraduate category

IT Specialist - Network Security

Issued by: Certiport

Issued to: Ibraheem Amin

Issued on: 30 May 2023

Description

Earners of this badge demonstrate foundational security knowledge and skills, including an understanding of core security principles operating system security, network and device security, and secure computing practices.

Course Number: CPRT-0101 (v.1)

Total Credits: 3

Grade: Pass

Credit Recommendation

- 3 semester hours in network security in the lower-division undergraduate category

IT Specialist - Cybersecurity

Issued by: Certiport

Issued to: Ibraheem Amin

Issued on: 30 May 2023

Description

Earners of this badge are starting their journey in the cybersecurity field. This exam assesses their understanding of key security paradigms, terminology, and mindset. Badge earners have a keen awareness of the importance of security and the threats to a business when security procedures are not followed. They are willing to teach others about security concerns. They are developing the investigative and implementation skills necessary to succeed in the field.

Course Number: CPRT-0110 (v.1)

Total Credits: 3

Grade: Pass

Credit Recommendation

- 3 semester hours in cybersecurity in the lower-division undergraduate category

IT Specialist - Device Configuration and Management

Issued by: Certiport

Issued to: Ibraheem Amin

Issued on: 30 May 2023

Description

Earners of this badge demonstrate foundational skills in, and a basic knowledge of, Windows devices and mobility.

Course Number: CPRT-0096 (v.1)

Total Credits: 3

Grade: Pass

Credit Recommendation

- 3 semester hours in operating systems in the lower-division undergraduate category

IT Specialist - HTML5 Application Development

Issued by: Certiport

Issued to: Ibraheem Amin

Issued on: 5 June 2023

Description

Earners of this badge demonstrate their ability to use HTML5, CSS, and JavaScript to build responsive web applications that will run on a variety of touch-enabled devices, including PCs, tablets, and phones.

Course Number: CPRT-0098 (v.1)

Total Credits: 3

Grade: Pass

Credit Recommendation

- 3 semester hours in web application programming in the lower-division undergraduate category

IT Specialist - Cloud Computing

Issued by: Certiport

Issued to: Ibraheem Amin

Issued on: 6 June 2023

Description

Candidates for this exam will be able to identify and describe end solutions that leverage cloud technologies, considerations that span across solutions and the "art of the possible" in utilizing cloud to develop solutions.

Course Number: CPRT-0111 (v.1)

Total Credits: 3

Grade: Pass

Credit Recommendation

- 3 semester hours in cloud computing in the lower-division undergraduate category

IT Specialist - Artificial Intelligence

Issued by: Certiport

Issued to: Ibraheem Amin

Issued on: 8 June 2023

Description

Candidates for this exam are AI enabled learners and are prepared for the professional use of AI by understanding how AI can be used to solve problems.

Course Number: CPRT-0112 (v.1)

Total Credits: 3

Grade: Pass

Credit Recommendation

- 3 semester hours in artificial intelligence in the upper-division undergraduate category

Cisco Certified Support Technician Networking (CCST Networking)

Issued by: Cisco

Issued to: Ibraheem Amin

Issued on: 9 May 2024

Description

The CCST Networking certification validates the essential knowledge and skills necessary to demonstrate work-ready networking skills. This certification is for candidates looking to work in a networking field or position. The successful candidates are qualified to enter the workforce as networking support specialists, technicians, and/or administrators. The next step in Cisco's pathway is the Cisco Certified Network Associate (CCNA) certification.

Course Number: CPRT-0115 (v.1)

Total Credits: 3

Grade: Pass

Credit Recommendation

- 3 semester hours in Networking Fundamentals in the lower-division undergraduate category

PMI Project Management Ready™

Issued by: Project Management Institute

Issued to: Ibraheem Amin

Issued on: 12 May 2024

Description

Earners of the PMI Project Management Ready™ badge have an understanding of the concepts within the growing field of project management, and the tools to apply this knowledge to a wide range of opportunities. They have been assessed and validated in the core concepts of project management, business analysis and traditional and agile methodologies used across industries

globally. This industry recognized certification is built from a global practice analysis of project professionals.

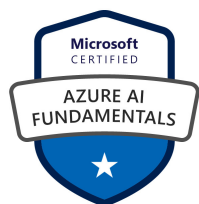

Course Number: CPRT-0108 (v.1)

Total Credits: 3

Grade: Pass

Credit Recommendation

- 3 semester hours in project management in the lower-division undergraduate category

Microsoft Certified: Azure AI Fundamentals

Issued by: Microsoft

Issued to: Ibraheem Amin

Issued on: 12 May 2024

Description

Earners of the Azure AI Fundamentals certification have demonstrated foundational knowledge of machine learning (ML) and artificial intelligence (AI) concepts and related Microsoft Azure services.

Course Number: MLS-0063 (v.1 and 2)

Total Credits: 1

Grade: Pass

Credit Recommendation

- 1 semester hour in Artificial Intelligence in the upper-division category if completed between 9/1/2020 - 9/30/2022; from 10/1/2022, 1 semester hour in Artificial Intelligence in the lower-division undergraduate category

ESB: Entrepreneurship and Small Business v.2

Issued by: Certiport

Issued to: Ibraheem Amin

Issued on: 12 May 2024

Description

Course Number: CPRT-0093 (v.1)

Total Credits: 3

Grade: Pass

Credit Recommendation

- 3 semester hours in Entrepreneurship in the lower-division undergraduate category

Microsoft Office Specialist: Word Associate (Office 2019)

Issued by: Microsoft

Issued to: Ibraheem Amin

Issued on: 12 May 2024

Description

Microsoft Word certification earners have a fundamental understanding of the Word environment and the ability to complete tasks independently. Earners demonstrated the principal features of Word by creating and editing a large project which can include professional-looking reports, multi-column newsletters, résumés, and business correspondence. Earners may include students, business information workers, clerical workers, educators, and others.

Course Number: CPRT-0088 (v.1)

Total Credits: 1

Grade: Pass

Credit Recommendation

- 1 semester hour in Computer Applications in the lower-division undergraduate category

IT Specialist - Python

Issued by: [Certiport](#)

Issued to: Ibraheem Amin

Issued on: 5 May 2022

Description

Earners of this badge demonstrate that they can recognize, write, and debug Python code that will logically solve a problem.

IT Specialist - Data Analytics

Issued by: [Certiport](#)

Issued to: Ibraheem Amin

Issued on: 6 March 2023

Description

Candidates for this exam are seeking to prove introductory knowledge of how to responsibly manipulate, analyze, and communicate findings of data analysis. Candidates should have instruction or hands-on experience with data manipulation, analysis, visualization, and communication. They should be familiar with general data concepts, data-related laws, and responsible analytics practices.

IT Specialist - Networking

Issued by: [Certiport](#)

Issued to: Ibraheem Amin

Issued on: 22 May 2023

Description

Earners of this badge demonstrate foundational networking knowledge and skills, including TCP/IP, networking services, networking topologies, and troubleshooting in wired and wireless environments.

IT Technical Support Specialist

Issued by: [Certiport](#)

Issued to: Ibraheem Amin

Issued on: 30 May 2023

Description

The IT Technical Support Specialist credential can give you the foundation that support team hiring managers are looking for as they consider you for a job. You can be confident that you have the foundational skills that can help you get up to speed quickly and give your employer the confirmation that you have a solid technical base. Earning pathway credentials is a strong way to set you apart from the crowd.

Application Developer

Issued by: [Certiport](#)

Issued to: Ibraheem Amin

Issued on: 5 June 2023

Description

Start your career developing applications on the right foot by completing the Application Developer pathway.

Cisco Certified Support Technician Cybersecurity (CCST Cybersecurity)

Unity Certified User: Programmer

Issued by: [Unity Technologies](#)

Issued to: Ibraheem Amin

Issued on: 12 May 2024

Description

Earners of the Unity Certified User: Programmer badge have the basic programming skills necessary to create interactivity in games, apps, AR/VR, and other experiences. Earners are able to create interactive content for industries such as gaming, entertainment, automotive, AEC, and XR.

AMERICAN COUNCIL ON EDUCATION TRANSCRIPT LEGEND

This official transcript contains credentials evaluated by the American Council on Education. The following policies apply only to ACE validated and endorsed credentials within the transcript. The American Council on Education's Learning Evaluations connects workplace learning with colleges and universities by helping adults gain access to academic credit for formal courses and examinations taken outside traditional degree programs. ACE is the national leader in the evaluation process for education and training obtained outside the classroom.

ACE Learning Evaluations reviews are conducted by experienced college and university faculty who assess the content, scope, and rigor of an organization's educational program and make appropriate recommendations for comparable college credit and competencies achieved by students. For more information on processes and standards for ACE reviews, visit <https://www.acenet.edu/Programs-Services/Pages/Credit-Transcripts/Colleges-Universities.aspx>.

DEFINITIONS

American Council on Education Endorsement: Credentials that carry an ACE endorsement of recommended college credits or validated competencies are designated by the ACE logo in the left margin.

Name: Legal name as entered by the student at the time of transcript request. Because students may complete courses from multiple organizations, each credential also includes the name under which the credential was issued for tracking and verification if necessary.

Credly ID#: Due to a system of record change in 2019, student ID numbers may not match numbers on older ACE transcripts.

Issued on: The date when the student completed the associated credential.

Courses: ACE-endorsed credentials include a unique identifier that ACE assigns to courses and examinations. The letter prefix designates the organization providing the experience. Duplicates may appear if a student took and passed a course or examination more than once.

Credit Recommendations: Recommendations for college credit are designated in semester hour units (SH). Each recommendation includes a total number of SH credits recommended and a breakdown of one or more subject areas and credit levels. Levels for which recommendations are issued include Vocational/Certificate, Lower Division (100-200 level courses), Upper Division (300-400 level courses), and Graduate (500+ level courses).

Grade: ACE-endorsed credentials are only included on this official transcript if the student achieved a passing grade. ACE-endorsed courses and exams meet the following minimum grading requirements: Students must earn a minimum "C" grade for Vocational/Certificate, Lower Division, and Upper Division credit and a minimum "B" grade for Graduate level credit.

RESOURCES

Additional information on ACE-endorsed educational programs, such as learning outcomes, assessment methods, etc. can be found in the National Guide to College Credit for Workforce Training at <https://www.acenet.edu/national-guide/>. Military training and occupations that carry college credit recommendations can be found at The ACE Military Guide at: <https://www.acenet.edu/Programs-Services/Pages/Credit-Transcripts/military-guide-online.aspx>.
